

Companies Find Value in Job Center

"We commend the Job Center for identifying our need, implementing a program, and providing space to conduct interviews. The staff was very helpful and hands-on and a "cut above" other Job Centers we've encountered. Working with them has been a refreshing experience."

"The Job Center is a trusted source for advice on human resource issues. The seminars, workshops and the interaction provided with other businesses have been invaluable."

Julie Piek, H.R. Coordinator

Richard Kelman, H.R. Manager
